Subject: Michigan Film Incentives, Bill 569

Dear Malika,

I am so grateful that the Michigan Senate approved Bill 569, sponsored by Senate Majority Leader Randy Richardville (R, Monroe), with a vote of 34 to 4 – over 89% approval.

Many of my friends, family, and colleges have been gifted work due to the film incentives and I am hopeful that these creative as well as financial opportunities remain and expand right here in our home town.

Please support these film incentives, please support our prosperity.

Best Wishes,

Brooke Mallon
